

Six's rejuvenating O2 Serum offers multiple benefits, making it a natural choice for anyone wanting to support their skin and retard the ageing process. The serum stimulates cell renewal and restores the skin barrier function. Additionally it protects against pollution and climate variations and gives the skin immediate radiance. Other benefits include:

- Accelerates Cell Growth
- Supports skin healing
- Reduces pore size
- Facilitates rapid skin hydration
- Reduces skin water loss
- Rejuvenates the skin
