

For the uninitiated, a shower steamer works like a bath bomb, only in your shower. When the steamer encounters water, it releases aromatic scents, turning your shower into a relaxing and fragrant experience.

**Create a spa-like atmosphere in your bathroom!  
Select your favourite fragrance depending on your mood:**

- Berry Delight
- Orchid Dew Drops
- Lemon Bliss Burst
- Cool Eucalyptus Breeze

Our shower steamers are available in singles, a box of 4, or a gorgeous gift tube containing 6 discs. Pop into the Spa and spoil yourself or someone special. Showers will never be the same!
