

LAMELLE AGE REVERSAL NECK SERUM

LAMELLE AGE REVERSAL NECK SERUM

Your neck is one of the first areas to reveal visible signs of ageing, now it can become your best-kept secret.

This potent serum helps:

- Rejuvenate thin, crepey skin and helps restore a youthful contour.
- Formulated with advanced recombinant Human Growth Factors to stimulate your skin's natural collagen and elastin production.
- Contains a powerful Matrix Metalloproteinase (MMP) inhibiting complex and powerful peptides to protect tissue structure and prevent sagging.
- Provides a deeply hydrating, opaque formula that absorbs rapidly to improve skin texture and resilience.

Key Ingredients & Benefits

- **Growth Factors:** Promote tissue repair, remodelling and structural regeneration.
- **Peptides (Acetyl Hexapeptide & Copper Tripeptide):** Improve dermal collagen integrity and smooth fine lines.
- **MMP Inhibitors:** Block enzymes that actively break down your skin's structural matrix.
